

We C.A.N. Train Powerful Ambassadors

We keep a repository of training files on Google Docs. Here is a list of the topics we cover and the links for what we have posted there:

1. Precinct Chair training - Precinct Chairs, as ambassadors for the conservative voice, find and engage others who are like-minded. Here you'll find practical tips and pointers for operating as a Precinct Chair in your area.

2. Canvassing: TBD. Stay tuned for PowerPoint.

We encourage you to watch, practice, and share the precepts reflected in these presentations, that through their teachings you may learn how best to initiate a conversation at a door or event, growing in confidence each time you do, and thereby help bolster our numbers and our strength with every new conservative you recruit.
