**Dear Fellow Republican Precinct Chairs, Vice Chairs, Delegates and voters.**

The executive committee members of the Summit County GOP are soliciting for volunteers to help mobilize voters for the upcoming primary and general elections. We wish to lend support to the Republican candidates who were chosen by the State GOP Convention, support other local Republican candidates, help get out the vote and register eligible new voters. We envision accomplishing these goals by walking our neighborhoods to visit our neighbors, pass out flyers for our preferred candidates and staff voter registration and information stations in well trafficked public spaces.

You may soon be contacted by one of our executive committee members to discuss how and when you can help. Or you can contact one of us directly.

Candidates Supported by the Summit County GOP:

- US Senate - Trent Staggs-won State GOP convention with 60%+
- Governor - Phil Lyman-won State GOP convention with 60%+
- State Treasurer - Marlo Oaks, current State Treasurer; He ran unopposed.
- U.S. House District 3 - Mike Kennedy-won State GOP convention with 60%+

Utah primary elections have historically experienced relatively low turnout. As a result, we often end up with less than satisfactory GOP candidates. Please help us change that experience.

Best Regards from your Snyderville Region Chairs and Precinct Office holders!
