# What are Impact Councils

- ▶ The Impact Council is a conservative state-wide grass roots organization.
- ▶ The home of the Impact Council is the Utah Citizens for the Constitution (UCC). Go to [utahconstitution.com](http://utahconstitution.com) to find out more.
- ▶ The Summit Co. Impact Council is a chapter of UCC, is also conservative. We can also support local initiatives if so inclined.

# Some Utah Impact focus areas

- ▶ Provide a state-wide communication network that interacts with our state legislators and the Federalism Commission in areas of:
  - ▶ Protect individual Liberty.
  - ▶ The Integrity of our Elections.
  - ▶ Teaching principles of the Constitution.

Construct walls of protection and prosperity around Utah by reasserting our authority over our constitutional jurisdictions, with a focus on education.

# Summit County Impact Council

- ▶ Provide a county-wide communication network that interacts with our members and state legislators specific to our county.
- ▶ Members: take UCC Talking Point messages and easily pass them on to our specific legislators building positive relationships.
- ▶ Inputs are received on Telegram. Messages are then sent by member SMS/text messages to our Legislators.
- ▶ Should only take 15 minutes a week. Signup at: <https://utahconstitution.com/>

  - ▶ Regular social gatherings.

- 
- ▶ Helpful associations:
    - ▶ [The Eagle Forum](#)
    - ▶ [Women's State Legislative Council](#)

# Finally from Jen

The County Chairs text their house and senate member and their Impact Group the weekly talking point. That is it!

It is designed to take very minimal time. Remember that the citizens will also get the talking point from me (Jen Brown), but that repetition is good.

When they get it from Jen it doesn't feel as personal as when it comes from Hillary or myself. Most people need to hear things multiple times before they do something.

Jen feels like our statewide communication network is really coming together!
