

It's a year to be BOLD, RIGHT!!

I'm Jay Deuser, candidate for the Snyderville Region Chair position.

I've had the honor of serving **AS the** Snyderville Region Chair—an area that stretches from **THE northern border** of Park City to the western edge of Summit County. You can learn more at SnydervilleRepublicans.net.

Over the past three years, I've worked hard to organize and grow the Republican Party here in Snyderville. In that time, I've learned what works—**and what's missing**—when it comes to building a strong, effective **local party**.

I've personally reached out to voter households in **every** Snyderville precinct, **and many more across** Summit County—from **Henefer** to Francis—while supporting four local candidates. I've also held quarterly regional meetings with our precinct chairs, **and let me tell you**—we have some outstanding leaders already in place.

So no, I'm not starting from scratch.

Tonight, I debated how much time I should spend talking about myself versus focusing on the new leadership team **emerging here tonight**. So let's keep it brief: enough about me.

What matters **now** is building a more powerful, **more engaged** Republican Party—**right here** at the local level.

That means having sharp focus, relentless energy, strong leadership, **AND an inspired team of caucus winners**. That's **YOU**. You are the engine of change.

This new leadership team has already proven themselves with action, not **just** words. I wouldn't be running again if I **didn't believe** they were ready to **lead strongly**. With your support, we can raise the bar—and **finally** win seats in Summit County government.

I'm not exaggerating **when I say** this team has already made major progress—without waiting for someone else to do it.

So I'm asking for two things: your vote, and your involvement.

Together with this **entire** team, we can make real change. Isn't it about time?

Well.. Let's make it happen—it's within your grasp. Thank you.
